- Beginners will learn from more advanced performers!
- Working actors will discover what they *haven't* done!
- How has your marketing helped? How has it held you back?
- All will leave with tools to create a tangible roadmap to further their career!
- **ALL** genres of voice-over will be explored!

***** NOTE: This seminar is NOT Bob's "in studio/on mic" VO workshop! *****

Think you've done all you can for your voice-over career?
Chances are you probably haven't even scratched the surface!

Ask yourself this question: What are my goals as a voice-over actor?
If your answers are: To work? To make a living doing what I love?
To work in commercials? Animation? Promo/Trailer? Etc.?
Then your answers are too vague!!

It's all about SPECIFIC and STRATEGIC goals! Find and apply yours!

COST: \$440 for the two-day intensive. Space is limited. \$250 deposit needed to hold your spot; balance due February 28. No refunds. To book contact Marian Massaro at 917-842-5395 or marian@marianmassaro.com. BobBergen.com
